

**SOCIALS**

- **Saturday, July 13:** The barbecue and pool party at Pam & Steve Allen's home was a great success. Although it stormed and we weren't able to get into the pool, we had a wonderful time socializing and eating on their large porch and in their beautiful home. What a view! Judy will be doing a write-up about it in the September/October Rhumb Line - with photos!

Saturday night we ate at Mudcat Charlie's there at the marina, and Sunday morning everyone crowded into air conditioning on Tom and Linda's boat, *Obedience*. It was a great cruise!
